NOT HERE. NOT NOW. NOT EVER AGAIN.

As concerned residents of West Michigan, we extend our support to the Park Township family whose driveway was recently defaced with an offensive racial slur and picture. We want the family to know that anyone who did this does not reflect us or what we want our community to be, and we support efforts to bring the person or persons to justice. We will work to see that no other family living here now or in the future experiences the same shock and pain. A diverse and welcoming community creates economic and wonderful cultural benefits. But inclusion *depends* on all of us. We, the undersigned, pledge to promote justice, celebrate our diversity, and act as anti-racists in our personal and community lives.
